No win

QUICK START

Game starts by setting a selected Bet amount and by pressing the Spin button. Round ends when reels stop and there are no wins, or after the win presentation if there are wins.

TURBO MODE (WHERE AVAILABLE)

Turbo mode is speeding up reels spinning animation when enabled. This option does not influence the game round result but only visual presentation.

GAME MENU

Game menu contains options and settings that control some of the game features:

- History - Displays previous rounds from the current session
- Close Game - Closes the game client
- Sound - Controls the Sound FXs in the game (on/off)
- Music - Controls the Music in the game (on/off)
- Turbo mode (where available) - Controls the Turbo mode feature (on/off)
- Left Hand Mode (where available) - Controls the position of the UI on Mobile devices
- Vibrate (where available) - Controls the vibration on the Mobile devices (on/off)

Game is paused while the menu is visible and can be closed by pressing the Close button or anywhere on the screen.

BET SELECTION

Game starts with a default Bet amount set for the game. Player can change the Bet amount by either:

- Using Plus and Minus buttons next to the Bet Amount
- Pressing the Bet amount where Bet Amount selector will open up

Bet amount cannot be changed during a game round and if there is a win presentation happening, changing bet Amount will reset the presentation.

AUTOPLAY MODE (WHERE AVAILABLE)

Autoplay mode enables automatic play of game. It can be enabled or disabled at any time during the Base game. Autoplay mode is enabled by pressing the Autoplay button which allows the player to select:

- Number of rounds to be played automatically
- Loss Limit (where available) - Disables the Autoplay mode if Balance is reduced by more than Loss Limit amount.
- Stop on Bonus Feature (where available) - Disables the Autoplay mode when Bonus game or Free games are triggered.
- Stop on Win above (where available)- Disables the Autoplay mode when there is a single round win exceeding the amount entered.

Autoplay button will display the remaining number of spins to be played automatically.

Pressing on the Autoplay button while Autoplay mode is enabled will reset the number of Rounds and disable the Autoplay mode.
