The 100 best players of the New Year Countdown tournament with the most collected big wins will win a share of the 10.000 Free Spin prize pool.

## 2. Opt in and participation

The participating games need to be positioned in a prominent lobby space. The qualifying games need to be visible upon the players' arrival on your website on both mobile and desktop throughout the promotional period.

We recommend preparing an exclusive tab of qualifying games for a better player experience and easier navigating.

A website slider needs to be included to your website (desktop and mobile). A banner example will be available for use at Bragg Gaming's client area and can be used or modified for promotional purposes.

The games must have at least one promotional campaign structured around them (Email or SMS send out, social media campaigns, affiliate promotions, website promotion, etc.). We encourage you to share all promotional materials with us.
